

Remarks:

Reconsideration of the application as amended is respectfully requested. In the previous office action, the examiner stated, "...the coiled configuration using the band of claims 11, 16, 17 removably receiving said remote means must be shown ..or canceled from the claims." However, drawings filed by applicant include the band 26 and the pocket 23 for receiving the remote means. Therefore, applicant is unsure as to what corrections should be made.

The examiner also suggested claim amendments that would place the application in condition for allowance. The suggested amendments are included herewith. Accordingly, applicant respectfully suggests that the application is in condition for allowance.

Respectfully submitted,

Kenneth L. Tolar
